David,

I am working with the Superintendent to collect the data you have requested. In the meantime, you mentioned that you believed that there was an annual reporting requirement with which the Board had not complied. The Board is very eager to see that all conditions of the Consent Decree are met. I do not see an annual reporting requirement other than the data to be submitted to the federal court (which has been done). Would you please point me to the pertinent provision so that I can make sure that the requirement is met? Thanks.

Craig
